To Whom It May Concern:

A Notice On Fake Toko Product

First of all, thank you for your business with Toko Inc.

Recently, some fake Toko products using Toko's brand name and logo have been discovered on market. It has also been verified that these fake products were exported from China through some electronic components trading companies that are not Toko's distributors at all.

Toko Inc. has nothing to do with the quality and performance of faked products. Therefore, Toko Inc. is not responsible for any damage caused by failure due to the usage of fake products.

This notice is intended to remind our customers not to purchase any fake products. Please purchase genuine Toko products via our sales, sales subsidiaries or authorized distributors only.

(note: please verify authorized distributors via our sales or sales subsidiaries)

Sincerely yours,

Toko Inc.
