

To all that may be concerned;

2011/04/01

We at TOKO, Inc. would like to also express our sincere appreciation and thanks for the messages and expression of concern and sympathy from all our friends and partners accordingly.

In our domestic facilities and our associated companies there is no personnel injury and buildings and equipment are not seriously damaged.

The situation of our domestic facilities and our associated companies are as below;

- TOKO Coiltec Co, Ltd(Iwate pref., Ninohe-shi)
Recovered and normal operation has been started
- Hikari Electronics Co, Ltd(Miyagi pref., Oosaki-shi)
Recovered and normal operation has been started
- Elec-Kitakami Co, Ltd(Iwate pref., Kitakami-shi)
Recovered and normal operation will be started from 4th/April

Our production operation is spread over the world. We try to give no concern for our customer and contribute to recover the Japanese Electronics Industry with best effort.

Thank you again for all your support and concern while we work together throughout this crisis.

Sincerely yours

Shigeru Kawatsuhara
President
TOKO INC.,
